The AHA Hiring Process

After the application deadline, your application will be reviewed to ensure that it is complete. We will determine if your work experience and qualifications match the job for which you have applied.

A series of two interviews will be conducted for each vacant position. Please note that not all applicants for a position will be interviewed.

If you are selected for an interview, you will be contacted by phone. After first interviews are complete, we will determine which candidates will receive a second interview. AHA will contact you by phone if you are selected for a second interview.

If you are not selected for a position, you will be sent a letter notifying you once the position has been filled.

We appreciate your assistance and patience in this process.
